You may cancel enrollment prior to the class start date by giving written notice to UBI via postal mail, fax, or e-mail. If receipt of your cancellation notice occurs within 5 business days of receipt of this enrollment agreement, you will receive a 100% refund of all monies paid. If receipt of a cancellation notice occurs after 5 business days of UBI's receipt of this agreement, up to the first day of class(es), a refund will be given minus the registration fee. In lieu of forfeiture of the registration fee, you may request a one-time transfer of your registration to a future class. This request must occur at least two weeks prior to the start of the cancelled class, and it must be applied to a class scheduled within one year of the cancelled class. However, if you cancel the second class, the registration fee will be forfeited. Once class(es) have begun, if you withdraw from class(es) prior to completion of 50% of the class, you are entitled to a prorated refund determined by the day of withdrawal, minus the registration fee. UBI's Veterans Refund policy complies with CFR21.4255. In the event that a veteran or eligible person fails to enter course, withdraws or is dismissed at any time prior to completion, the unused portion of tuition and all but \$10 of the registration fees is refunded on a pro-rata basis. Refunds will be made within 40 days of the last date of attendance.
